“ Auntie I remember Uncle Henry telling me and Angi about how he met and fell in love with you at first sight. It was a wonderful story and even as a child I could see how much he loved you. Stay strong and I hope to see you soon. Love you so much!

“ Hi sissy, I'm so sorry I can't be there to say my goodbyes to Henry but will see you shortly and we can have our own private grieving of Henry's passing but also remember special moments with him. I've posted just a few pics from celebrations with the family and hope someday you'll be able to view them and smile! Love you!! Vicki
