“ Well Herbie we go way back.

The summer 1965 we came to visit you from Virginia, Uncle Stanley ,Aunt Ella. We were just hanging out in Norwalk. We were 9 - 10 years old and these guys were chasing us. I look back, they had caught you, then I threw the rocks across the street and hit one in the head and they let you go.

Thanks for driving Uncle Herbs Oldsmobile to the Jack and Jill dance in Stamford.

I visited Aunt Jackie often when I return from military, 1972. She had a map and would share your battle locations. We all prayed for your safe return from Vietnam.

Hey Herb remember the attic your room in the top of the house? We would listen to Parliament on your record player and talk about what we wanted to do in life after the military.

I remember the night we talked and you told me you were planning to marry Chris and your reasons why. Hello Chris. Great decision.

I remember the night my new bride and I came to Norwalk. You and Chris made us feel at home.

Also those pictures you sent of Flordia your family and Corvette.

Thank you for being a good person, and my favorite male cousin.
