“ *Aunt Janet, I am so sorry about your loss. Herb was a very sweet man and you were a wonderful couple. I really enjoyed talking to him about the military. There is always a bit of craziness in those Marines. That is speaking from a Navy nurse perspective. My prayers are with you. Love, Michelle and Chris*

Whatever the problem he would be there to help you.

“ Aunt Janet and family, please know you have our love during this most difficult loss. Herb was a gracious and loving man, always wanting to help if there was anything that needed to be fixed. Even from his hospital bed he had advise, it was funny to see how that stuff picked up his mood... He will be missed. Rest in peace with God.

“ Hey Grandpa, I haven't seen you since graduation, but I was hoping to make up for it when I come down this next week. Unfortunately the time came too soon, and I will be just a week late. I don't know if you remember, but to me the moment meant a lot, for my 13th birthday you were here in town, and brought me my very first real set of tools. Tool box, hammer, socket wrenches, wrenches, screwdrivers...etc. Everything that I could possibly need to get by. You told me that I am becoming a man and as a man I need the tools to get by. I will tell you that they have been getting a great deal of use, especially this past summer with Uncle Terry, and I remember telling him that all of my tools were from you. They will be with me forever, and always be a memory of you. I'm glad you were a part of my life, and I will see you in the future. Look over Grandma for us all. Love you. Mic

“ Grandpa Herb, you will be so missed! I will always hold close our time together about 10 years ago when you helped teach me how to drive. We had such a great week together, laughing and talking!! My comfort from your absence comes from knowing we all have our very own angel now. I love you so much!! Erika & Bobby
