“ *Mt Sister, My Friend*

Oh my the times we shared. So many, many wonderful experiences! Gosh we laughed and loved every time we were together. I will miss you so much but will find comfort in knowing you are joining your loved ones that went before you. Say Hello to Mom and Dad for me and Floyd and the boys. We will all be joined someday but till then I will remember the good times. I am so thankful to have had you for my sister. I will always love you. Nancy

Rest peacefully Momma, I love you with all my heart! Paula

“ *Paula, I'm so sorry. Your Mother was such a sweetheart, but you don't need me to tell you that. Always such a Lady. I wish I could have seen her, it's been too long. I don't know if you remember, but she bought me my first pair of panty hose. I have so many good memories from when we were young. I often think of her. I am also sorry for the loss of your Father and Brothers, I know how hard it is to lose your family. I pray for you and yours as you go through this most difficult time. All my love, Tammy*
