“ *Hi Mary, Just wanted to put this on your site and let you know how much we will miss Howard. I know not as much as you but you were such a great support to him while he was making his transition. I want you to know that he is still with us in spirit and will always be. What a great guy! I am sure a wonderful providing husband, father and friend to so many that were influenced by his life, accomplishments and motivation in life. Much Love, John Paulson*
