“ It was a honor to have gotten to know Howard while working with him on the Big M. He loved his family deeply and I am so sorry for your loss. He was the greatest guy, tough as nails when he needed to be and a big softie to those he loved. He always had a bear hug, pat on the back or kiss on the cheek for his friends. And that smile like no other. RIP

“ First I would like to say that I am so sorry for the loss of Howard to Mary Jane, all the kids, family and friends, the man was amazing and touched us all.

He always had a kind word for you, would help you if you needed something, if troubled he would sit you down and set you straight, Howard did it all and I love him for that. Howard was there for me many times, like Im sure he was for all of you, but the vehicle that was there for all of us is gone now. But the spirt of Howard will never leave, he is apart of my daily life and I know he is apart of yours also. I love ya big guy

“ Daddy, today we had a memorial for you in Pa at the veterans park where your brick and Skip's picnic table are. So many of your family, friends, xco-workers and current officers came. It was really nice.

You are loved by so many. But it makes it real that you are not with us anymore and it hurts, I love and miss you so much.

“ My family sends their heartfelt condolences and prayers to the Benett family. I had the honor and privilege of starting my police career working with Howard. 22 years later I still use and rely on the things he had taught me, but most of all I remember the fun times we had. He was always laughing or smiling when I would arrive for work, probably because he and his crazy cousin Bobby had some type of entertainment planned for themselves at my expense. It was truly the best time in my police career. Thank you Howie for all you taught me not just of police work, but on having fun while doing police work.

“ Howard Bennet to me his name was Howie. I knew him a long time. His family and mine were friends for years. I used to hang around with Howie before I went to VietNam. He always had a joke or was the life of the party. To his family I can't imagine the feeling of loss you feel. To me its a loss of a long time friend and he will never be forgotten. Thats Howie for being there for me before I went to Nam. May God hold you and keep you forever.

“ Howard, you have not only filled me, but everyone you came into contact with, the best and funniest stories and pranks to fill us for a lifetime.

I have been a "Victim" more than once of your un-expected cheek kisses, but for once, I give this kiss back to you.

may you look over all of us and continue to make us smile, and one day, we will surely meet again.

Until then, God speed.

“ My heart and sympathy go out to the Bennett family. I have many memories of Howie from his time in Tullytown. The best will always be from when Howie went into a freezing Levittown Lake to save a little boy from drowning. He was declared a hero. When I congratulated him and agreed that he truly was a hero he told me "I'm not a hero, I'm just doing my job". That made him an even bigger hero and man to me. You will be surly missed my friend.

“ Mrs Bennett and family, I mourn with you. Howie was a great man and a great cop. He saved my butt one time when I was assaulted making an arrest in Bristol Township. He literally was picking people off me and throwing them into the streets. He had the best sense of humor of any Officer that I worked with and never failed to make me laugh. God Bless all of you. As for Howie I am sure I will see him again when it is my time to enter Heaven.
