“ *To Howard's Family: I have been looking for Howard for several years now. Tonight I stumbled on to his obituary and I am saddened for his family. I knew Howard when he was a Mead Johnson Rep and living in Kennewick, Wa. Our families used to waterski and water tube together. Howard and I would travel to WSU football games together. As a Nurse Manager of a Neonatal Unit & Wellborn Nursery Howard would visit my staff often and he would always bring donuts. When he received a promotion which carried him to Wisconsin he hated to leave Washington State, but went. After the move it was hard to keep up with him. I know his first family but not the second. I know the children from both will miss him. Everyone misses him because of the Great Man Howard was, now I will miss him too. Howard you might be gone for awhile but someday we will shake hands and hug once again.*

“ My dad was most amazing dad and man I know. He had a magnetic personality, people were just drawn to him. He will always be known for his laugh and sense of humor ... I will remember the "because I'm your father..." speeches and miss his bright blue eyes. I know he is whole and well in the arms of God and I look forward to the day we are reunited. I love you dad.
