“ *Hi Leslie, This is a sad way to find you after all these years. I am sorry to learn of Hugh's passing so long ago. I have been searching for missing friends from our Keene State College group for the past couple of months. You disappeared years ago. I am writing a one-time newsletter updating our "crew" of our lives during the past 50 years....yes, 2023 is our 50th reunion year @ KSC. If you would like to be in touch, I can send you more information about this. My email is tshortsleeve@icloud.com. Hoping to hear from you. Again, I'm sorry to learn about Hugh. “ To Hugh?s Family,
I am so sorry to hear of Hugh?s passing. Even though through the years I lost contact with friends I grew up with , my heart and thoughts always remember friends like Hugh that never leave my heart.
Whether running track or playing football together at Dover High he was always a thoughtful and caring friend. I?m positive he carried that love and caring throughout his life to his family and others he met.
The grieving that comes after losing Hugh will be hard as I know after losing my wife from Breast Cancer. Rest assured that Hugh is still with us in Heaven and someday we all can be together again.
