“ Janice and Cliff, I was so shocked to hear about Hugh. There is nothing I can say to ease your grief, but it may be a comfort to know that your loss is shared by so many others. He was a good man; a good human being. I'm so glad that the last time we met was at a happy occasion, a family wedding. I will remember him fondly and keep the both of you in my thoughts and prayers along with Dick, Rich, Ann and Greg. God bless.

“ Sorry for your losses. I hired Hugh to teach our Part Time night auto classes at High Tech Central. He was a motivating teacher who always related to the kids. He then was hired full time at the school. We talked often about business and when he finally made the move I know he was excited. He was a friend to many and always a caring person. I will think of him and his dedication forever.

“ Janice, We are very sorry. I know there are no words to comfort you at this time. My mom always talked about Hugh. She said he was the best, and how much your parents liked him. I am sorry, I did not get to know him. God Bless you, and I will be praying for you to get through these next few days with God's love and care. Love Cathy
