“ If it weren't for him, me and my kids never would have moved to Florida. We moved here to get a fresh start with him. A good friend. Can't believe he's gone.

“ Please accept our sincere sympathy on E's death. We met E at Trivia at the bowling alley. He had so much knowledge on movies and sports. We would enjoy his company so much. He would keep us laughing all of the time. I don't think he realized how many friends he had. Sadness hung over trivia this week. We will really miss him and he will always have a place in our hearts. Rest in peace E.

“ *Iduan Ortiz or "E" as he was called by many touched many lives and will be greatly missed by his family and friends. My heart goes out to all those he left behind. My life is better for having met him at Coral Lanes Bowling alley playing trivia. In his sudden premature death I am at a great loss knowing that I will never see him again on this earth. I will miss his smile and joking around. We only met about 5 years ago but he will be forever in my heart. I'm sure he will keep the angels laughing in heaven.*
