“ *When I was a young girl, I was always thankful for time spent with Aunt Rene and Uncle Bill. The jokes, teasing, life-lessons, orneriness and affection. Their unmistakable love for one another and their combined family was absent from my life for many years during Uncle Bill's illness and then Aunt Rene's. I am so grateful to have earned a place, once again, in Rene's heart over the summer. My love for Larry and Dave and your families. Always, Karen*

“ *My Dear Aunt Rene, what can I say. We became so, so close the years after my father's death in '97. When younger, I wasn't exactly fond of my Aunt's staunch style, but that is what I became to love so much about her. To tell the truth, I came to discover we were very much alike, with our high standards. I'm not sure exactly what I will do without her to call for advice, but at least I take comfort knowing she is with Uncle Bill and my dad, keeping everyone in line! I love you Aunt Rene.*
