“ My Grandma....

What a wonderful Grandma with a heart of gold. She has touched so many lives and always been a special person in my life and will continue to always hold a special place in my heart.

I will always cherish the time we spent together especially the last month we had spent together. It was wonderful to see her smile when i would wake up in morning and her wonderful hugs at night.

So tonight I throw up a kiss to the sky for you grandma,my angel to catch it and know how much I love you and will always think of you.

I love you Grandma,

Kimberly
