“ *A wonderful lady full of love, grit and determination. I treasure the memories I have of "Grandma Liz."*

“ *Mama Liz didn't become part of my life until her senior years. I can only imagine her determination in her younger years. She always had a sweet smile for me when I visited. When we could no longer go out for lunch I would take her treats when I visited, probably too many sweets but we enjoyed them. Her physical health got worse but I guarantee you her mental state remained sharp. I visited her on June 1st and told her the date she quickly told me it was Judi's birthday!!! I know she is looking down on the family and hoping they all remember her and enjoy this wonderful life.*

“ My Mother Isabelle was a christian Lady who loved life. she would give up lifting encouragement to homeless people. even though she did not have a penny to her name she always wanted to give whether it be a cold Coke or a grocery bag with some canned goods. i called her every Saturday for years. i seen her about every week. she always had a smile and never complained about anything. I love you Mother and will miss you so much. love you Judi

“ Best Mother . She was a christian lady who loved life. she gave wise advice, gave to needy even though she did not have a penny to her name. she always wanted to give wither it be a cold coke or grocery bag with some can goods. called her every Saturday for years. She missed her home and called it her castle. she had all intentions to going back to her castle. Unfortunately she was coming home and dance all the way to the Pearl gates. May you rest in peace mother I love you motherAnd will miss you always. Love Judi
