“ *I'll never forget the night Jack beat his girlfriend, Allie, senseless while her toddler slept a benadryl sleep in the next room...*

Or the night he convinced my boyfriend that he and I had been having an affair...

Or the time he pulled a butcher knife on me in the kitchen...

Or the two times he threw my alarm clocks out the window and I had to have them replaced...

Or the way he treated Jade like an unpaid servant...

Or the time he and his older brother stole \$4,000 from our business deposits...

Ahhh... RIP, asshole

I've been through a lot of therapy since I knew Jodi, and I still cannot begin to imagine what brought out such rage in him. I'm big on taking responsibility for my own stuff, but he hit me out of the blue with his psychopathy. I hope that his wife and children were spared that. And I hope that Gambino gene died with him and Jade. Is Jeff dead yet? Or in jail? I hope he didn't reproduce, but we always knew he was in the closet, so I'm not too worried... oy vey... What the he'll did their parents do to them????

Oh, and BTW, Jade was one of the finest humans I have ever met. He worked hard, played hard, and loved deeply. His untimely death still makes me cry. I still kind of think about what he would do in certain situations, because he was so kind and empathetic... but he had horrible issues, too. Are their parents alive? God, they must be awful, awful people. I miss Jade. I hope the other two rot.

“ Jack was a friend of mine for only a short time. I worked with him at Clear Choice. I can tell you but I'm sure you already know, Jack was a GREAT MAN !

I'm in sales and my time in the office was very limited but he and I spoke almost everyday.

When I walked in the office today and didn't see his always smiling face it hit me like a ton of bricks.

I'm so sorry for your loss . My thoughts and prayers go out to you and the boys.

He will be missed.

*My deepest sympathies,
Dan & Michelle Bartlett*

Please provide me with the information for contributions to you and the boys. As we would like to help
