“ *I still can't seem to stop myself from crying. I know that God had a plan and I am thankful that he allowed us to be reunited. It was just a little over a year ago that I got to hold, hug and kiss you for the first time in a lifetime. I was little when you left to begin your adult life, marry and have children. What a blessing they are and I pray that their pain is lessened by the many wonderful memories shared. I love and miss you my sister, thank you for sharing you life and love. Love Forever - "Baby Girl".*

“ *Jackie was a joy to be around. She always had a smile on her face & only spoke positively about others. She was a jewel, to be sure!*
