October 22, 1946 - January 9, 2022

James “Jim” Louis Barron went home to be with our Lord on Sunday, January 9, 2022. He is survived by his wife of 53 years, Margie Barron of North Fort Myers, Florida, daughters Tonia Koehn (spouse Toxey Koehn) of Independence, Louisiana and Tammy Fiedler (spouse Kelli Fiedler) of Fort Myers, Florida, grandson Christopher Rohner of Lafayette, Louisiana, great-granddaughter Charlee Layne Rohner of Lafayette Louisiana, sister Essia Howell of Tarrytown, Georgia, and many nieces, nephews and dear friends. He was preceded in death by his father, JT Barron, his mother, Ruth Barron, his sister, Vera Cambron, and his brother, Maryland Barron.

Jim was born on October 22, 1946, in McComb, Mississippi. He served as a Marine in Vietnam as a Corporal before marrying his soulmate and starting a family in Louisiana. Most of his career was spent as a manager for TG&Y and McCrory’s. He took a lot of pride in his work, and always treated his employees with respect, and they always respected him. He spent several years as a volunteer fireman for the Amite, Louisiana Fire Department, as a Jaycee, and was a member of the Amite City Chamber of Commerce and Friends of the Library in Amite, Louisiana before moving to Florida.

Throughout his life, Jim was a Christian whose relationship with the Lord continued to grow. He enjoyed doing things with his church family whenever he could. He enjoyed hunting with his friends when he lived in Louisiana, and

he enjoyed fishing whenever he had the chance. He also enjoyed bowling and bingo. His kindness and consideration of others is something that could be felt by anyone who knew him. He will be missed greatly.

In lieu of flowers, the family would like for you to consider donating to Semper Fi Fund, The Multiple Myeloma Foundation or The American Cancer Society.

“ What can I say about my Dad. He was a kind and gentle man but he always had that Marine mentality and I loved that about him. He always stood up for what he believed and his love for his country was well known. As was his love for his family. I'm so going to miss him calling me his Suggems and his constant picking on me. I never thought I would actually say that I will miss him picking on me. Lol I've always heard that when someone picks on you a lot that they love you that much. Well, I know my Dad loved me and I'm going to miss him terribly. But he'll be glad to know that his son in law is just like him. I guess that saying about a girl marrying someone just like their dad is true. So Dad until we meet again I will always remember your laugh and especially how much you laughed when Chris and I ran from the "fake" Komodo dragon" at the Miami Zoo when Chris was 7. Lol I can hear him laughing now as we speak. I love you Dad and you'll always be remembered. RIP my sweet Daddy and I'll be waiting to see you again at my welcoming party when I make it to Heaven. 🥰❤️

“ He was an amazing husband, father, and the best father-in-law in the world. He would always respond when I asked him, "How's it going?". He would always reply, "To early to tell." After pappa Jim got his room keys on Sunday morning for his new home in Heaven I would bet his response would be, "let me tell you" RIP Pappa Jim. Thanks for blessing to marry your daughter. You are my favorite Marine! Love you
