“ *My heart is saddened to have learned of the passing of this wonderful soul. I did not know him personally but know Chapin and Michelle and my heart grieves for your loss. I have heard that Chapin is the split image of his dad in personality and talent and they both loved their dad so much. I know it doesn't feel like it now but it will get better and the memories will become so much sweeter. You will always have those so cherish them and keep them close. May the Lord be with you in your quiet times. Debra Pierce*

“ Sending condolences to Bobby's family and friends. I knew Bobby way back in his band days. We all used to hang out together. He was a good guy!
Hearing about his compassion and love for animals is something we would have had in common. I remember Bobby giving a home to a little pup that he named Pooky was back in the days. His love of animals showed even back then.
Rest easy Bobby, you will be missed!

Thinking of Bobby today. Can't believe he's gone. I'm a Collie rescuer and Bobby loved Collies. He was my very 1st Collie adoption I did when I became involved with Collie rescue. He adopted a Collie boy named Brandon. We were fast friends from then on. Miss him. Gone way too soon.

“ I was blessed and honored to meet Bobby while working at RSW. While I didn't work in the same company as him we always had contact with each other because he fueled the planes for the company I worked for. From day one we hit it off like if we knew each other for a lifetime. Always showed me love and respect a friend I consider even after I moved away back home to California. Not only work brought us together but also the love of football which we could talk for a while. Bobby you will be greatly missed and thank you for the friendship you showed me. RIP my friend and brother!
