“ Jim has been a long time friend and someone I could always rely on. We always seemed to find a way to have a good time no matter what obstacles were thrown at us. To me his honesty and integrity were the foundation he built his life upon. Jim always gave me his best. If there was one thing I had to say about Jim that summed up what he meant to me it would be "I could always trust Jimmy D". My fondness memories of him always had something to do with having a good time and fishing. Even if I wasn't with him listening to Jim tell me what he caught or the good time he had with others made me realize just how much he enjoyed life and how he truly love those around him. Almost every conversation we had he would end on a positive note. I pray for Jimmy D and his family in this sad time. When I look back and think of him I will be smiling.

“ Jim will truly be missed. A friend, colleage, and member of our family for over 20 years. He was a dedicated, honest and loyal employee at AMP and the kind of friend everyone wishes they could have. Some of the most fun in our lives was with our friend Jim! We will miss your voice on the radio and mostly your easy smile.

“ Jim will truly be missed. For over 20 years he was a very important part of our lives, as a friend, business associate and part of our family. We have so many wonderful memories of the times with Jim and Claire and their family with ours that will last a life time. Jim was a proud, honest, loyal and dedicated employee for American Mobile Petroleum and we are so sad we will not hear his voice on the radio again or see his easy smile.. We will never forget you Jim!
