“ *James lived next door to us For many years through his childhood. He spent countless days and nights at our house. James and my son Brandon were inseparable during those times. Whether it was playing video games, football or just hanging out. He was like our 2nd son. even after he moved they still stayed in touch with each other. Mike and I are so PROUD of what you became!! We will all miss you and We salute you, soldier!!*
