“ *Very sorry for the loss of my brother. I found out the day he passed through a mutual friend who saw through Facebook. I am very saddened by the obituary that was printed and there was so much more about my brother that could have been said than 2 lines of a sentence. He lived in Jefferson for most of his life until he moved and bought his home in Lehigh Acres in 2002. He was a local businessman that was very respected in Jefferson and knew everybody. He took over the family business from my parents and the Dairy Queen was always the place to be. Jim was always in there and knew just about every customer by name. There was so much more about Jim than was printed...but anybody that was touched by him would have known this. May he rest in peace.*

“ I worked at Dairy Queen for Milt and Delores while in high school and later for Jim several years in the late 70s into the early 80s. Good times! Thinking of you, Jim's kids, his sister and the rest of the family.

“ Judy, so many thoughts and prayers to you and your family. I've thought about you and Jim quite often, hoping life was treating you great. I always enjoyed my real estate days with Jim, he was a great person, with a huge heart. Hold on to the many memories, just as I will. My heart goes out to you. Kathy Scheiwe, Fort Atkinson

“ It was 16 years ago when we met Jim. We lived in Illinois at the time and had plans to relocate to Fort Atkinson , WI in the summer. We needed a home and Jim was the chosen realtor to help us. To this day we think of how patient and kind Jim was to us during our home search. My husband and I counted up one time that he must have showed us 20 plus homes over the three months we searched. Usually on weekends.
He found us the perfect home and we are still in it today!

May you find comfort in family, friends and memories.
