“ *My Uncle Jim was definitely a cool dude! I remember all the laughter and fun that he brought to our childhood family picnics in Bangor, PA. He was always the life that filled the party with joy. I could always tell that he was a nice person and one that enjoyed life. I am sure he will be missed by his closest family and friends. I know that I will remember him fondly for all the love that he showed on his face and his joyous smile he showed me and all of the Gleim family. Miss you Uncle Jim until I see you again someday. Love your nephew David Eden and his wife Genie, son Josh and daughter Sam.*
