

James Morris Gresh

September 22, 1933 - February 10, 2023

CPL James M. Gresh passed away on February 10, 2023.

Born September 22, 1933. The son of Cecil and Jessie (Yount) Gresh.

Survived by his daughter Lynn (Keith) Newkirk, his son Steven Gresh, and his daughter Lisa Gresh, six grandchildren, five great, one great great, and two great great great grandchildren.

James grew up in Indianapolis, Indiana. He graduated from Broad Ripple High School with the class of 1951. He then went on to attend Butler University and then joined the U.S.M.C.

CPL James Gresh wished to share that the Wounded Warrior Project is very important to him.

James dreamed of winning that big lottery jackpot. He even wrote a story about how he could change the lives of many, so for James, we share why this is so valuable to him. The Wounded Warrior Project mission is to honor and empower wounded warriors who incurred a physical or mental injury illness or wound co-incident to military service on or after September 11, 2001.

Why do we honor our veterans? They represent the highest ideals of our country. We can never fully repay the debt we owe these heroes. We will honor their service and provide them the care and support they deserve.

In lieu of flowers, James Gresh requested donations be made to the Wounded

Warrior Project at the link below or call 1-855-448-3997.

CPL James Gresh's service is to be held at Bushnell Cemetery, on Tuesday, March 7, 2023 at 1 PM, in Bushnell, FL
