“ I'll never forget meeting Jim Hadley for the first time at the Tampa Youth Ranch. Jim was a bigger than life person, he shared his testimony of faith in Christ. To a 7th grader this really caught my interest and motivated me listen and apply the truth of the gospel in my own life. That was a lifetime ago, “54yrs” ago, I have been in the ministry now for 50 years. Thanks Jim, for impacting my life.
