“ *Condolences My deepest sympathies to your entire family. I'm sure the grief and sadness you experience feels like it's more than you can handle. So I pray that you receive much needed love and support from other family and friends to help you cope. And please take comfort in knowing that God promises that He "will actually swallow up death forever, and the Sovereign Lord Jehovah will certainly wipe the tears from all faces." (Isaiah 25:8) The Bible teaches that death is not the end. So just imagine the happiness you will feel when your loved one is resurrected! You truly can see them again one day soon.*

“ I owe a lot to Jim. He hired me away from a competitor in 1991 and in working with him was immediately struck by his gentleness, kindness and faith in God. He was instrumental in my promotion in 1993. In subsequent years We had many talks about the Lord and also his love for his family and his favorite pasttime - golf. I will miss him greatly. My condolences to the McCommon family.

“ Aunt Jean and family: We are very sorry to hear of Uncle Jim's passing. I know the past months have been a difficult time for all of you. Jim was a wonderful man. David and I always enjoyed our time with him and loved the great conversations we had. He is such a terrific example to us all. I know that he is at peace and resting. You and the entire family are in our thoughts and prayers. We had a sweet service for mom on Saturday. She and dad are reunited once again. Love you all. Darryl

“ There are so many memories that I can remember. The trips to the lake house and Jim out on the wave runners with us. Jim would keep the boys occupied and busy without them knowing it. His quiet demeanor showed the kind hearted man he was. May he rest in peace now. We were honored to know this great gentleman. Shelby Jean, Cindy, Angie, Brian and Jimmy - our thoughts and prayers are with you all during this time and always.
