“ *My name is Bill McCollum I am Jim's cousin. My Father William McCollum and Maurice McCollum and Robert McCollum were brothers. I reconnected with Jim back in 2002 and lost contact with him. I am trying to get ahold of his sister Carol I believe her name was. My email is BJktg at msn.com. the short time I talked with Jim he was working for John Deere company in Sarasota. The few times we spoke we had a lot in common played guitar and singing and he seemed so very genuine I will miss him. If there are any relatives that were Jim's please contact me thank you*
