“ *So sorry for your loss Aunt Irmgard. Uncle Jim was a one of a kind man. I'll never forget going up to the cabin while growing up. He always had time for us and always had a smile on his face. He will be deeply missed. We all love him very much. Mike Ethier.*

“ To my dearest Aunt Irmgard, I'm deeply saddened by the loss of Uncle Jim. He was such a kind and generous man to me and our family. I will miss visiting with him up at the cabin, reminiscing about his great football days in high school and hearing his fishing stories on the river. I feel lucky to have known him and to have had him part of my family. We can all take comfort knowing he had a full and great life together with you. All my love and support. Steve

“ My Uncle Jim was the BEST Great Uncle of all time. I will never forget my summers at their cabin in Mio. He would take me fishing down the river, and tubing. He always had tools handy for me to try and catch crawfish under the dock. Whenever we went up north in the summers, and we came down the road getting close to the house, he was always outside waving ready so happy to see us. I'm very thankful for these memories and that my daughters got to make some of these memories as well.

“ Uncle Jim was a great and wonderful uncle. He was very kind and generous, he taught me to treat everyone equally and had a great sense of humor! I will miss him but will always treasure his memory.
