“ To Lonna - The first time I met Jason was on Halloween when Alicia, Linda, you, Jason and others dressed up. He was a farmer and you were is "woman" with blue hair!! The two of you were such a cute couple all dressed up. Alicia was thrilled that Jason came into your life. As time went on and I met him a few more times, I still thought you two were such a cute couple. Your love for each other showed through your eyes. I am deeply sorrowed that God decided Jason has completed his earthly mission and has now embarked on his heavenly mission. I know God, Jason, your mom and Alicia will see you through these very hard days ahead. You know I am here for you my dear!!

To Jason's daughters - You have a great dad! He will always be in your heart!! Keep strong in your faith and trust in God to grant you peace.

To Jason's family - I am so sorry for your loss. I understand how you feel as my daughter embarked on her heavenly mission in February 2014.

My sympathy and prayers are with each of you during this difficult time and for the difficult days ahead! May you find comfort in God's arms.

“ *I know we only knew each other for a few years but after the first time we met it felt like I had known you forever. You made me laugh and feel at ease. I will miss you and never forget you my friend.*
