“ *Jean, you will always be in my heart and my memories will always be fond. You were such a special friend to so many of us, your stamping sisters. I still find it hard to believe still you are no longer with us. Go with God until we meet again! Oh the stories we will share!*

“ *Dearest Jean; you are sorely missed. The Stamping Sisterhood isn't the same without you. Your quick wit and sassy countenance was just the thing to round out our group.*
