“ *My deepest sympathies to Theresa, Ariel, Barbara, Martha, and Jenny on the loss of Jeff. After a twenty year hiatus, my son Jeff and I were able to reconnect and reconcile during the last few weeks of his life. I know he was very happy about that and it gave him much peace and comfort. he will always be in my heart as he has been over the years.*

After much to do I was able to see him and hold him and kiss him and told him it was ok to go into Gods opened arms. After much suffering he is with his Father in heaven and at peace.

“ So very sad to hear this news of Jeffery's passing. Even though I haven't seen him in many many years, the memory of him was always vivid from grade school. He was a a sweet and kind person back then as a kid, and stayed that way as an adult from what I read. I send my deepest condolences and sympathies to his whole family .
