“ *Scott,*

I was so saddened to hear about the loss of Jennifer. She and you were one of my favorite customers and I will always have fond memories of you two together and having our chats at your office. She is the one who introduced me to Honey Crisp apples and I will always think of her when I eat one. Please know that you and your family are in my thoughts and prayers at this very difficult time in your life. Sincerely, Melissa (from The News-Press)

“ My heart goes out to Michael and Scott whom I met along with
Jennifer working the phone banks. I was totally shocked to see the
obituary. I did not know you well but you were very gracious to me. I
missed the service but am thinking of you in this sad time. She will
be missed.

“ Dear Scott and Family,

Although we hadn't known Jennifer a long time, we are deeply saddened by her sudden passing. She was a lovely lady and a good friend. We think often of the times we spent together.

Hold fast in the hours and days to come the good memories that you have made together as a couple and family. Cherish them through these sad times. Know that you are in our thoughts and prayers.

“ My name is Laura and I am one of Jehovah's Witnesses. I wanted send my thoughts and prayers to family. John 5:28,29- Do marvel at this, all those in the memorial tomb will hear his voice and come out. Isn't that something to look forward too?

“ Jennifer was a very friendly person - always smiling. Loved being a "grandma!" I have happy memories of the times I have spent with Jen: Matt & Mary's wedding, wedding shower, out to dinners, graduation ceremonies, at the pool just to mention a few. She always spoke highly of my girls. Thanks, Jen. You will be missed. Love, Cathy
