

## Jennifer Jean Little

January 21, 1972 - January 20, 2016

Our beautiful sweet angel, Jennifer Jean Little (nee Yontz) was called home to heaven, much too young, much too soon. Jenny was born January 21, 1972. She brought all of us so many special gifts, many we likely will not realize till we move forward in our lives. She lived for today, always with a smile, always cherishing the moment. Sundays were reserved for football and Brett Favre, an everlasting Packer fan. Her dogs were the luckiest alive as she adored them as she did all animals. She loved her volunteer time at the local humane society. Her heart had no boundaries. Jenny found such peace at the beach and on the water. She loved having fun with the many friends she made over the years both here and in Wisconsin.

In the past several years she faced Cancer with a fierce determination to beat it. She vowed that it would not slow her down or change who she was. And it didn't. She was still Jenny throughout her journey. And that is the true lesson she leaves us with, every day is a blessing, no matter what.

Jenny is survived by her husband Ron, her parents Ken Yontz and his wife Linda Damiano and Jean Gluth, sisters Terri, Christine and her husband Russ, Brother Mike and his wife Denise, nephews Zach, Josh, Matt, Andrew, Wyatt, Casey and Tyler, nieces Lauren and Christine and great niece Nora.

A visitation will be held at Gendron Funeral & Cremation Services Inc. Wednesday January 27, 2016 from 6p-8p. A celebration of her life will be Thursday January 28, 2016 at 11am at the funeral home.

Jenny will also be celebrated at an additional memorial service in Wisconsin Dells where she will have her final resting place at a later date.

Jenny was a special blessing to our family and her sweet soul will live on through all of us that loved her.

In Lieu of flowers, memorials can be sent to your local humane society.

“ *Jenny was one of the most caring person I have ever known. She told me she was the luckiest person in the world to be married to the man she loved. Her love of life, her husband, and all animals impressed me deeply. She was a wonderful sister-in-law. I will never forget her, her spirit will be with me always*

“ Recently I was going through a very long bout of depression, and having severe self worth and self esteem issues. My stepmother Jen and I have had our ups and downs over the last sixteen years, so when she asked me to sit down and talk with her, I was less than enthusiastic. Although I don't remember all of the things we talked about that night, I will never forget the way she made me feel. Her genuine caring and kind words lifted me out of the funk I was drowning in. In a sense, she saved me. I love you Jenny, and will deeply miss you.

“ Rest in peace my friend. You were the worlds biggest Packers fan. Your house and boat proudly green and gold. I loved that about you, even as a Vikings fan. I loved having a friend to talk to about football. But your love of animals connected us even more. I will miss our animal pics to each other, our dogs posts and the times we shared. Until we meet again..

“ I am so very sorry and saddened to have heard of Jenny's passing. Even though I haven't seen her or had contact with her in many, many years, I remember her well - she is not one you can forget - she was such a kind and gentle soul. We worked together at Christmas Mountain Village and I will never forget her sweet smile. She brought laughter and happiness to those around her - the owners and staff at CMV truly loved her. I can only imagine how much she will be missed by all her friends and family. My deepest sympathies and prayers for the family during this very difficult time.

*Ken and Jean, there are no words that can express the feeling of sorrow that we have for the loss of Jenny. It is truly one of those times that no parent wants to have happen. There are so many good memories to rely on I am sure-but it still has to be tough. Rest assured we will have Jennifer and the family in our thoughts and prayers. May she rest in peace.
