“ *Grandma, you will be sorely missed. I have great memories of visiting you and Grandpa to pick out our pumpkins for Halloween, on holidays, and at random times. Let your light be as strong as heaven as it was on earth. I love you and will miss you until we meet again.*

“ *Even though we had lost touch over the years Grandma it doesn't mean that I loved you any less. I will miss you but cherish all the memories we had together! I am so happy that you have finally found peace.*
