“john keep this in your mind dont ever for get it. To my dearest family, some things I'd like to say... but first of all, to let you know, that I arrived okay. I'm writing this from heaven. Here I dwell with God above. Here, there's no more tears of sadness; here is just eternal love. Please do not be unhappy just because I'm out of sight. Remember that I'm with you every morning, noon and night. That day I had to leave you when my life on earth was through, God picked me up and hugged me and He said, "I welcome you." It's good to have you back again; you were missed while you were gone. As for your dearest family, they'll be here later on. I need you here badly; you're part of my plan. There's so much that we have to do, to help our mortal man." God gave me a list of things, that he wished for me to do. And foremost on the list, was to watch and care for you. And when you lie in bed at night, the day's chores put to flight. God and I are closest to you....in the middle of the night. When you think of my life on earth, and all those loving years because you are only human, they are bound to bring you tears. But do not be afraid to cry; it does relieve the pain. Remember there would be no flowers, unless there was some rain. I wish that I could tell you all that God has planned. But if I were to tell you, you wouldn't understand. But one thing is for certain, though my life on earth is o'er. I'm closer to you now, than I ever was before. There are many rocky roads ahead of you and many hills to climb; but together we can do it by taking one day at a time. It was always my philosophy and I'd like it for you too... that as you give unto the world, the world will give to you. If you can help somebody who's in sorrow and pain, then you can say to God at night....."My day was not in vain." And now I am contented....that my life has been worthwhile, knowing as I passed along the way, I made somebody smile. So if you meet somebody who is sad and feeling low, just lend a hand to pick him up, as on your way you go. When you're walking down the street, and you've got me on your mind; I'm walking in your footsteps only half a step behind. And when it's time for you to go.... from that body to be free, remember you're not going.....you're coming here to me.we wi miss her.chuck

“ *Just wanting to send my condolences to all of Joanne's family and friends. I did not know her personally but came across her obituary online and just wanted to express my deepest sympathy. I lost my mother and brother in 2008 and just wanted to share a scripture that comforted me and I hope it does you too. Psalm 34:18 " Jehovah is near to those that are broken at heart and those who are crushed in spirit he saves"*

“ There is so much that can be said about how wonderful of a woman Joanne was. But even more so, she was the best mother and grandmother to her 4 kids and 6 grandchildren. There was never a time that she wasn't busy helping someone else. Joanne was honestly one of the most giving people we have ever met!

You will be greatly missed. But we all know you're in a much better place now. And don't worry, we promise to watch over all the kids and grandkids and keep everyone as safe of possible, we promise. We love and miss you!
