“ Dad,
I don't think the anger or sadness, I feel is ever going to go away, I can only hope that you knew i was there before those people took the last bit of time I had to spend with you, away from me, it's so very hard for me to cope with, or move on from, the fact that I will never be able to see or talk to you again. My heart will be forever broken. Thank you for teaching me to stick up for myself, & how to drive & cut a lawn to the utmost perfection, thank you for giving me the love I have for music, the ski trips, & especially for the trait of wanting to always make someone laugh, your jokes, always made my day. I'm just so glad you are not in pain anymore, you were the coolest & most macho guy, that I got to call MY Dad & I hope you died knowing, how very much I loved you with all my heart. Rest easy Dad...my life will never be the same
