“ *We will greatly miss our dear friend Mr. John. Ronin and Nolan look forward to the part of Mass when they run over to hug him during the time we share peace. He was one of the kindest and most generous people I have ever met. He always made sure to ask about my father and send his regards to our family every time we saw eachother. I am so grateful for the first time I took Ronin to Mass by myself when he was an infant- it was then we met this wonderful soul! Ronin, even at just a few weeks old, was drawn to John and loved him. That love only grew and spread through our whole family. Thank you for sharing him with us for all these years. I will miss his hugs and his beautiful smile. I'll be sure to light his candles tomorrow at church as he always did....but I know there will be an empty seat that can never be filled.*
