“ *John was a kind-hearted man with a great smile. He was loved by many and loved them in return. He lived a good life and now lives with his savior, Jesus Christ. He will be missed. John, God rest your soul and may God give your family comfort and hope in their time of grief.*

“ Steve and I are so sorry of your loss. It was so nice to meet the both of you. My heart goes out to your whole family, wife, children, and of course, the grandchildren. He was a very brave man. His will to survive was unsurpassing. He tried so long to keep a positive attitude before he had the surgery. So Steve and I are grateful we met him at the time we did.

“ Susan and Family, I am so saddened by the passing of "papa John." I will miss his laughter and our conversations at Tom and Sue's. He was a great man and always made me smile. Now he's making the people in Heaven smile. sandy

“ I remember the first time I knew I had a great uncle John Innarelli . He made me laugh when I was upset every time he would walk in the room you knew youd have a good time even if it was just on a sunday afternoon watching Tv . He has shared and given me advice on life and how to become the person I am today . Every Thanksgiving he would always throw dinner rolls across the dinner table . Only I wish we could have a roll thrown across the room one last time but I know he is one of the angels who will always have a glow around him on earth or in heaven .
