“ *I thought I'd have more time to go see Tio Juan. I wanted to thank him for being a great uncle when we lived in Florida. I remember always running downstairs from the apartment and opening the door like we owned the place and Tio wouldn't tell us anything. Saturday mornings we'd go to their kitchen and make cinnamon toast with Matilda and Annette and Tio would be in the living room watching TV. I remember a weird man scared me one time & Tio wanted to go look for him. I remember going Christmas shopping with Tio in preparation for the festivities, that was fun. I remember Tio outside in the mornings as we waited to get on the school bus. I remember Tio taking Carlos for his haircuts. There's so much I remember and as an adult I realize how precious and blessed we were to have him in our lives at that time. When we moved back home to Texas he was the person I missed the most. Thank you so much for there memories! May you rest in peace Tio Juan! Please give mommy a big hug for me. Belinda L Saldana*
