“ *It's been a while but, I remember all the good times and fun growing up with Jack and all the Marshalls. Jack, was the handsome kid with the infectious smile. He will be truly missed as is Mike. May they both rest in peace. Jim Hayes*

“ *Kay, I remember Jack when he delivered newspapers on Mansfield Street. He made us all laugh with stories about his trips to his room (sent there by Dad) when he "borrowed" the seat of his brothers bike, sports equipment or anything else the he needed.*

So many years have passed and we still remember how he made us feel. How very special that is.

“ Jack was such a lovely man and with Susan both were awesome. Jack's sense of humor was beyond compare. His ability to walk through difficult times was awe inspiring. What a wonderful power of example! This earth has lost one of best!! I will miss him.
