“ *CROSSINGS*

Our lives are forever coming to Crossings. Each one new, different, a new direction. At every crossing we are to stop, look & listen. Sometimes we come to that crossing we fear to approach, yet we must. This is life. Stop, look listen. This is God's way. If we listen with our hearts, we can hear the trains horn blowing of the trumpets come to take God's child home. If we look with love, we will see a crossing from this world to the next. A blessed place where our loved ones are bathed in Love, Light, Glory & Truth. Our time to cross will also come and in that crossing we will again be with those who have made the journey and be together in Joy, Peace, Love, and Everlasting Life. Love to John, Kathy & Family.

Grace & Peace, Howard Fortune

When you are sorrowful look again in your heart, and you shall see that in truth you are weeping for that which has been your delight.? -
