*If tears could build a stairway, and memories a lane,
We would walk right up to Heaven and bring you back again.*

*No farewell words were spoken. No time to say 'Goodbye'.
You were gone before we knew it, and only God knows why.*

*Our hearts still ache with sadness, and secret tears still flow.
What it meant to love you, no one will ever know.*

*But now we know you want us to mourn for you no more,
To remember all the happy times life still has much in store.*

*Since you'll never be forgotten, we pledge to you today,
A special place within our hearts is where you'll always stay.*

*With our love always,
Kim, Crystal, Tiana and Payton*

*To all who will be interested, notification of my husbands' memorial
service will be announced. Do not send flowers because they will be
returned. I will not watch beautiful flowers die, the same way I watched
my husband pass away.*

Thank you for understanding and for those who don't, I apologize.
