“ *The universe brought us together; two people walking lonely paths that merged on a mountain top. Walking together for nearly 38 years, finding our joy, facing our trials, drawing strength from each other through laughter and tears. We fit together like two pieces of the same puzzle. I am so grateful the universe brought us together and we built the great life we had, cut short though it was. You are my everything; you are the best part of me. You are my person. Olive Juice always. 💔*
