“ *Jon was a smart, thoughtful, and joyful person to be around either socially or in business. Jon came to work with us at Spires, Wallace in the 1990s and was a great addition to our firm. We are very sad to hear of his passing and having such a wonderful life cut short. Anyone who knew him felt his warm and caring presence along with his witty sense of humor. We will miss you Jon and your great smile. God Bless your family through this time of sorrow. Our prayers are with them. RIP, dear Jon.*

*With love,

I'm a sadden to see a good, loving young man go. I have only known Jon for a short time but while working together we have shared laughs and jokes. He will be truly missed.

“ *To Jon's friends and family -*

We were saddened to learn of Jon's passing. Scott enjoyed working with him during their Markham, Norton, Stroemer years. Jon was intelligent, caring and quick to lend a hand. It was always a pleasure to cross paths around town and catch up with him. We're so grateful to have known him. He is in our thoughts and prayers.

“ *Jon, my long-time and faithful friend, I am going to miss you every day. I'll miss sharing the day's events or trials or accomplishments - smiling when I receive a text or email of the same from you. I will treasure forever all the music, art festivals, Celtic festivals, art walks and music walks, meals and more that we shared. You have been a dear friend and constant supporter and I will always remember that. Much love, Melinda Pensinger*

“*Jon, you will always be a part of our family. All of our most important moments have been shared with you. Jacob was lucky to have you as an uncle and godfather. He loved you very much. You will forever be in our hearts and memories. Our life will be sader without you in it. But you will always be a part of it. We love you and will miss you with all our hearts. You will be remembered forever. Love always*
