“ Dearest Daniel and Miriam, I cannot begin in fathom the magnitude of the loss of your beloved Jonathan. I had the awesome priviledge of being Jonathan's Sunday School teacher at the Lehigh Acres Church of the Nazarene and I can still recall his excitement learning about his Savior. My prayer for you and your family is that in your time of bereavement you will sense the closeness of God as you have never before. This is not going to be easy but God's grace will be more than sufficient to see you through.

“ I worked with Jon, I will greatly miss him. I want to thank his family for sharing him with us. Went to his service last night, the turn out showed just how much we all loved him. He always had a smile and a hug for me whenever I saw Jon, and I know now he smiles down on me, he will always be remembered by me. I love you Jon. from TT

“ I had the pleasure of working with Jon at Health Park. He was a fun loving, easy going, likeable young man that just seemed to bring a smile to everyone's face. I know that Jon's parents looked at him as a gift from God. But, I just wanted his family to know that we at Health Park felt the same way. Jon was a gift to us as well. Whenever I saw Jon, and I saw him quite a bit, he was always smiling and making someone else laugh or smile too. He was a good person , with a good kind heart, and we were all so proud of him when he became an ER tech. I take comfort in knowing that Jon is at peace. He is in heaven walking those streets of gold. :) The tears I shed aren't for Jon. They are for me, the family and his friends and co workers who dearly miss him. There is a lesson to be learned in everything that happens. Good or bad. And the lesson I take from this is that life is too short and you may not get the time to tell someone just how you feel. If you love someone, tell them. If you hold bitterness or anger against another, let it go! God is love and we need to love one another. We need to be right with God because we never know when we will be called home. Keep smiling Perez...

“ Jon, You were a wonderful person. Always smiling; fun to be around. I only knew you as a coworker; I will miss your sweet face. God must be calling for you. I do not understand why you were taken from all of your friends and family; we will all miss you dearly but we do not decide our future. I will never understand why things like this have to happen. I feel so sorry for your family. Your siblings. Your friends. I barely new you yet I too feel very upset about this. You had such a bright future. I Love You Jonathan. I will pray for you and your family. Love, Holly Addair RN 6 West HealthPark Hospital

“ Within the last 8 or 9 months, Jon helped my elderly mother at Health Park ER on two differnt occassions. Last night my mother went there again and I learned of his death. The first time I met him I wanted to write a letter to Health Park about the outstanding job he did for my mother and my family in the ER. Regrettable I never wrote the letter. But I have never forgotten the smiling face and great personality that comforted us all. I am saddened that he won't be there to comfort future families that come into the ER. I want to send my heartfelt condolences to his family, friends, and co-workers. Although I only got a brief glimpse of the Jon that you all knew so well, his personality and hospitality is one that I will never forget as he truly stood out as an exceptional person. God Bless

“ To the Perez Family, I had the pleasure of working with Jonathan when he was a tranporter at HealthPark. Jonathan was a sweet, caring, respectful young man. He always asked "how are you doing, is everything going ok, do you need anything". You should be very proud of him because he was an exceptional man. May your memories of him one day bring you peace and comfort. Keeping you in thoughts and prayers
