“ *I am heartbroken to hear that my friend Jorge has left us. I worked with Jorge at Sysco and US Foods. I would holler out "Jorge" every morning and would get to see his smile. I never saw Jorge mad. He had a GREAT personality and a smile that everyone that knew Jorge will miss.*

“ We are heartbroken.. we feel honored to have known him ... we met him years ago through restaurant depot ... he has delivered food to our businesses .. no matter how busy he was he always had a smile on his face .. always made us laugh ... his hard work was motivated by his love for his family ... special prayers Of love and strength sent to those he reluctantly left behind .. the world has lost a special person ..
