“ *I am saddened that I own not one photo of our son and you together, so I had to improvise. Thank you for the goodbye, even though I didn't take it seriously, you kept your promise. I'm gonna miss you, Joe. Thank you for giving me our beautiful Koda bear. I promise to take extra special care of him, until his and my time comes to see you again. I'll love you forever*

“ *King Papo, is what he was known by, had one of the most generous and biggest hearts ever. He was a great soldier and brother to this nation....leaving a beautiful daughter and son behind. In the past 15 years...i dont think one week went by without him calling and asking if i was alright or needed anything. You are truly going to be missed....i know you will be watching over us from the heavens above.....we might have lost a soldier and brother but the heavens couldnt have gained a better angel! I love you and will miss you so much King Papo!!*
