“ Remembering of the day we had you Christopher... You had such a full head of hair on you! Pictures were taken at the hospital at the time, and the nurses tried to comb your hair off to the side. Well, your father thought that the pictures were just the greatest, and he didn't even show me, so he ordered the largest, most EXPENSIVE order for his Christopher Bear! Whenever I saw them, I thought that I would die! I laughed soooo hard! I don't think we sent any out! We called you "little "Al Capone". I still can't find a picture!

Come what may... through the years, we loved you and continue to love you. Your father is keeping watch over you now as I know he was a great believer in our Lord and Savior Jesus Christ. He would be so very proud of you. At twelve years old, you said that you would never leave him, and you kept that promise my son... You are a good Man and I am so proud of you!

Love,
Mom

“ *Joe Dennis was a good man. He spent 30 plus years in the golf business, dedicating most of his time to caring for golf courses. Joe was a very knowledgeable individual and passed on his education and experience to many that he worked with. Joe had a great sense of humor, yet he was always a professional. You will be missed Joe Dennis. God Bless!!*
