“ God knows the heart, mind and soul of a man. Joseph was a good husband, father, brother and friend. As a young man, he was an Airforce plane mechanic, played the hawian guitar, and was an expert on growing blue spruce Christmas trees. May peace be with all of his children as this was what he cherished most. Love you all.

“ To all the family, Joe was a very dear friend and mentor for 50 years. We talked often by phone. We shared many laughs and memories over the years. Joe truly loved his family and always spoke with pride for each of you. I will really miss him. Just know I loved him as the greatest friend one could have. Take comfort in knowing that now you have a special guardian angel to watch over you. I know he will always be in my heart forever.
