

Joseph Leo Ormond

February 13, 1965 - December 28, 2019

Joseph Leo Ormond died at the age of 54 after a long illness.

Mr. Ormond is survived by his wife of 32 years, Nancy. He is also survived by his children: Sean and Myriam Ormond (née Paillant), Robert and Rachel Ormond (née Bailey) and Allana Ormond, and three grandchildren: Charlotte, Bianca, and Colin.

One of six, Joseph was the oldest brother in a big family. He was an entrepreneur and business owner that employed thousands of people and impacted the lives of many through his company RJBA. He strived not only for his success, but for the success of those around him. He had a passion for cars, music, fishing and sports. He loved watching the Patriots every Sunday. Joseph was an avid firearm enthusiast, and expert marksman. Dogs were a fixture in his life, and he loved all 7 of his dogs with his wife, Nancy. Most of all, he loved spending time with his children and grandchildren.

Joseph Ormond was a survivor. At an early age, he faced multiple open-heart surgeries which he did not let slow him down. He always provided for his family and was enormously generous with those around him. Later on, he had late stage lung cancer which he successfully fought into remission. Joseph valued every moment he had with his family through this.

“ *After the tears have dried and the goodbyes have been said, all we have to hold onto are the happy memories that we've shared with our loved ones who have passed, this is what keeps them alive in our hearts and in our minds, and they will continue to live on, through us.*

Rest in the sweetest of peace Joe

“ Thank you somehow just doesn’t seem to be enough. Capitol Credit, Zwicker and Boudreau over a span of nearly three decades I got to witness what can only be described as true grit, courage and determination. I sat in envy at your display of “go big or go home” courage as you attacked head on with reckless abandon the mission of the day both personally and professionally. Thank you for the white knuckle rides to Stuart St in Boston every day. Little Sebago Lake, Tampa, and years of tailgating before and after all those Pat’s games. The Boston Boat shows and summers floating around Winnepesaukee. Above all, thank you for being a solid mentor, giving me a shot, being a larger than life brother in-law, uncle to my children and the influence that helped me become the man I am. RIP Joe, you totally earned it.

“ I will always hold my Uncle Joe close to my heart. He is one of the most generous people I have ever had the pleasure of knowing. He had a way about him that made anyone in his presence feel comfortable and welcome, as he wanted them to. I remember going into my mom and dad's office as a young kid and being so excited to see my uncle, who always had something to give my sister and I. His interest and support regarding my life path and what I want to do was always very much present and truly made me feel like I could accomplish anything I wanted to. He was actually one of the first people to fully support my dream of being in fashion and encouraged it greatly, even at such a young age. Thank you for always treating my sister and I like “the princesses we are” and setting that bar nice and high.

To my cousins, my family grieves with you. We are blessed to have grown up so close and never having to feel distance. We feel with you. My siblings and I are here for you in every way you may need us. I love you so much!

To my Aunty, you have remained the person I look up to most my whole life for a reason. Your strength and loving heart are undeniable and will always inspire me to be like you where I can. Uncle Joe was so blessed to have you by his side and he knew that

I love you Ormonds!

“ My Uncle Joe was one of the kindest, most generous souls I’ve ever had the pleasure of knowing. The way he cared for other people and took on others issues as if they were his own was inspiring. I remember when I was little visiting my parents at work, who worked for his law firm, going into Uncle Joe’s office every time, and him greeting me with a big smile, a hug and “Hi Honey”. I would sit down and talk to him, accompanied by the Rolo candies on his desk that he’d give me followed by “don’t tell mom and dad”. He always cared deeply for my career as I was growing up, when I had the hopes of being a singer. He was one of the most supportive people when it came to my dream. When I visited my Auntie Nancy and him in Florida about two years ago, he pretty much rolled out the red carpet for me. He was willing to jump through hoops to make me comfortable and assure that I had everything I needed and more while staying at his house.

These are just a small percentage of examples I can come up with to describe how generous and extraordinary my Uncle was. To my cousins Rob, Sean and Allana, we are all so sorry for your loss. The memories you have with your dad will live on forever in your hearts. To my Auntie Nancy, you are an extremely strong woman, who I can only hope to be like one day. Your strength and selflessness is truly inspiring. Uncle Joe is so proud of all of you, and he loves you more than life itself!

“ Uncle Joe, you will be missed. You were one of the most generous people I have ever met. You never failed to always try to do things to keep the people around you that you cared for happy. From Porsche rides, trips to Vegas, letting Ashley and I use the beach house to giving me the career opportunity that has led me to where I am today and that allowed me to work my way through my degree. I am forever grateful for those memories and opportunities and will never forget them as well as the many other memories of growing up with you and Auntie Nancy always there throughout my life. May you rest in peace. You will be missed by all.

To Auntie Nancy, Sean, Rob and Allana, I grieve with you and hope that you may find peace during this tough time. We are all here for you. Uncle Joe's memory and legacy shall live on with you forever and he will always be watching over you, he loved you all so much.

“ Joe always had time to talk to you if you were feeling down. Joe was always positive and always had a smile. He was passionate about everything. Joe was a top boss. He showed me that if you want it , you need to make it happen. There are no excuses to give up. Joe also adored his kids and it showed all the time. Losing Joe is a misfortune for all who hadn't met him yet. I will always remember him as making me remember anyone can have it all, you just have to make it happen. Prayers to the Ormond family. Joe will be truly missed.

“ It is difficult to find the right words to describe a man that had so much impact on so many lives. Joe was the kind of person that always took care of those around him. As a business owner, he was involved with his company, involved with his employees and genuinely cared. I worked for Joe for 10 years and there was rarely a day that he didn't make his rounds, greeting the employees and making everyone feel like they mattered. He was good at that, letting us know that we mattered, that he cared. He was able to create this family atmosphere in an industry that was so volatile elsewhere. He got it, he knew that taking care of his employees was part of taking care of his business. And so, friendships grew and flourished and there were so many marriages that came from those days... thank you, Joe. Thank you for believing in all of us, for bringing us all together, and for being there for us for all those years. I feel blessed to have been a part of it all. Fly high and rest peacefully. 💕💔
