“ Karen,I am so very sorry hear about your Mom and my heart goes out to all. You will be in my thoughts and payerrs. If you want to talk at all, please feel free to call anytime. Someone shared this thought with me after Dad died and it touched me. I hope it will do the same for you.Even though you will miss terribly and your heart will break a thousand times, you may be able to console yourself and family with this; your Mom passed away with life's greatest blessing, the unconditional love of her family, including her savior's love.Wishing you many blessings and smiles soon. Hold the happy memories close. If you need anything at all, please feel to call on us. We are near.with love, becky
