“ I am a friend of Tommy's since childhood. I have remembered Joshua in my prayers since Tommy's memorial service at South Gate. Traci, My wife Tammy and I were introduced to you at the fairgrounds about 30 years ago. My name is Phil. I heard about Joshua's accident Saturday August 10, 2024. I am heartbroken. Know that I will write his name next to Tommy's name in my Bible and I will remember him.

“ Today marks the 1year anniversary of Josh's death. This is the only place that I knew of to come and pay my respects to him. I can't begin to say how much this family loved Josh,he was always such a joy to be around. It always made me happy to see him and my two boys(Jaycob and Dallas)together,they were brothers and me and my husband thought of him as one of our own. We all think about Josh all the time and we would find ourselves laughing at something he said or did that would be just totally off the wall corky,lol! My boys suffered for awhile after,I always tell them to think of of him when he was here and all the fun you all had together and how blessed you guys are to have known him,we all are blessed to have known him. We miss him so much and it still hurts to this day. We can't express enough just how deeply sorry we are for your family. You have been in our thoughts and prayers. We miss you so much Josh. We will see you again in heaven❤️

“ *I dont know Joshua or his family. I ride my bike on Bee Ridge and I pass the cross in his memorial. I stopped for a pause and moment of silence for him today. Such a young life lost. I said a prayer for his loved ones. My heart goes out to his friends and family. A stranger to me, but all is humans are really just one big family. May you all be able to find peace in this difficult time.*

This is Joshua's momma. I am just now able to look at these reviews. The fact that you took the time to write this says a lot about you. ❤️ I appreciate you and thank you for your words.

“ *I am still in shock that Josh is gone. He would always say "You feeling okay Miss Autumn" When I was feeling down. He knew my nephew from JROTC. We miss you at Publix Josh, I'm so sorry your life was taken from you.*

“ *I'm still trying to wrap my head around this tragedy. Josh was one of the good ones. He always called me Miss Miki. I am missing that. Love you Josh 🙏🙏😭😭💕💕*

“ *Traci and Family,*

My team and I are very saddened by this tragedy. I will miss our talks that we had because, I always thought of him as a little brother. We are a family at Publix #361 and we are missing our family member dearly. Thoughts and prayers are with the family and who ever else has been impacted.

*Sincerely,
Billy Ray and the Publix Family #361*
